To Whom It May Concern:

3/2/20

Liam Davis has been working as a part time remote customer service associate for better.bike since the fall of 2019. His computer and customer relations skills have proven to be an excellent resource for us. He is courteous, professional and willing to take on all tasks asked of him. I would highly recommend him for employment.

Please feel free to contact me if you have any questions.

Sincerely,
